(ORAL ORDER)
(Passed on 16th February, 2006)

Since the points involved in all these writ petitions are substantially similar, all of them were clubbed, heard together and they are being disposed of by this common order.

(2) The points that arise for decision-making in this batch of writ petitions, it is stated at the Bar, are seized by the Apex Court in Writ Petition No.6314 of 2005 and connected writ petitions filed under Article 32 of the Constitution. In that view of the matter, I dispose of all these writ petitions, leaving open all the contentions raised by the parties in these writ petitions in their respective pleadings. No costs.

(3) Having considered the request of the learned counsel for the petitioners for extension of stay as well as the opposition raised by the University, I think it just and reasonable to continue the stay for a further period of one month from today. Accordingly, I direct that interim order, wherever it is already granted in this batch of writ petitions, shall be in operation for a further period of one month only from today.
